THANK YOU'S

We would like to thank everyone who gives help to the rink in way of volunteer time and by donations. A special thank you goes out to: Donn Farrer, Bill Aulie, Scott Westrum and Shawn Duncan for their work and dedication towards applications and renovation plans. We have received a grant, which will allow us to perform major renovations this coming spring. Stay tuned for details. Thanks to Darrel Hall for his work on the rink webpage of the Town of Rouleau website. A thank you to all of the businesses and individuals who so generously donated and made our fundraising efforts such a HUGE success. *Sorry if we have missed including any groups or individuals in our thanks... ALL YOUR HELP IS GREATLY APPRECIATED!*

NOTE ON BOOTH SCHEDULES

We have revised the booth schedule, so please have a look to see the dates you are on. Booth duty is required from anyone who has children involved in activities at the rink to help with keeping skating fees down. We would like to thank all the volunteers who continue to support the rink, with or without their children's rink involvement. If you are going to be away and cannot be there for your week, please switch weeks with another couple or contact Leah Krauss (2539) **well in advance.** We are trying to make the rink appealing to our in & out of town rentals, therefore, we are requesting that the booth be open when there are people on the ice. It may only require a couple bodies at a time, but someone needs to be there. Contact Landon Krauss with questions regarding this matter.

HELP IN BOOTH

There are a few busier days/weekends in the booth this year due to tournaments etc. If you are willing to put in a little extra time and be placed on a "Spare List" please contact Leah.

CURLING

We are hoping to liven up the rink and put the curling ice in early this year. We hope to have our annual funspiel as well as "Pick Up" games and hopefully even a league. If you are interested in curling this year, please contact Craig Perkin at 776-2201.
