

The Town of Rouleau Mayor, Council and Staff

wish everyone in our great Community a

Merry Christmas and a Happy New Year!

2014 has seen a number of changes in the community, such as the filming of “Corner Gas-The Movie”, the Dog River Days celebration, the ongoing successful Spray Park Fundraising events (construction slated to start in 2015), new businesses, new house construction and the welcoming of a number of new residents.

The required lagoon expansion is in the works – the land has been purchased, the environmental study completed, and grants have been applied for. 2015 will see the beginning of construction and we will also start upgrading some of our aging infrastructure. Town Bylaws have been updated and are in place as we continue to work on making Rouleau a great community to live in. Thank all for your support and cooperation during these changes!

Items we wish to bring to everyone’s attention are:

- On street vehicle parking : Section 4 ( c ) (vi) of the Parking Bylaw # 04/2014 requires that on street vehicles not be parked for a period exceeding 72 hours, or 24 hours following a substantial snow fall to allow for street cleaning.
- Business License requirements: Business License Bylaw # 07/2014, update of Licensing Bylaw # 04/85
- Building Permits: Bylaw # 05/2014, amendment of Bylaw P23/77, Zoning Bylaw.

A copy of the above noted bylaws are available at the Town office or online on the website [www.townofrouleau.com](http://www.townofrouleau.com).

Have a great holiday season, be safe and see you all in 2015!

Thank you,

The Mayor, Council & Staff of the Town of Rouleau
